Summer is approaching very quickly, and we realize that sometimes it is hard to make ends meet and provide your child with healthy meals throughout the summer.

Gallia County Local Schools would like to provide you with the contact information, written at the top of this flyer, which can assist you in providing your child/children with no cost nutritious meals during the summer months.

Individuals ages 19 through 21 who have been identified as having mental or physical disabilities and are following Individualized Education Programs (IEPs) through their current enrollment in educational programs also are eligible for free summer meals.

There are several locations throughout Gallia County that participate in this program. Call or go online for the one nearest you.
