C. NEGOTIATING TEAMS:

ARTICLE 13: PERFORMANCE EVALUATION PROCEDURE

The provisions of this article expressly supersede ORC 3319.11 to the extent permitted by law, and are in accordance with ORC 3319.111; and in accordance with HB 164, HB 197, and HB 404, and SB 216 regarding the impact on the Ohio Teacher Evaluation System 2.0.

It is agreed that the sole avenue to challenge alleged violations of the evaluation procedure set forth in this section shall be through the grievance procedure contained in this Agreement.

Teachers subject to the Ohio Teacher Evaluation System (OTES 2.0), shall be evaluated in accordance with the Standards-Based Evaluation Policy adopted by the Board in consultation with teachers pursuant to sections 3319.111 and 3319.112 of the Ohio Revised Code, and approved by the State Board of Education.

Guidance counselors shall be evaluated in accordance with the Standards-Based School Counselor Evaluation Policy adopted by the Board pursuant to Sections 3319.113 of the Ohio Revised Code.

If a teacher is assigned to a building in which the administrator performing the evaluation has a conflict of interest, the administrator and/or the teacher will inform the Superintendent in writing, upon which the Superintendent may assign a different credentialed administrator to perform that teacher's evaluation.

All other bargaining unit members shall be evaluated in accordance with the procedures and requirements set forth below utilizing forms approved by the ODE. If a member is assigned to more than one building, one administrator will be designated as the evaluator, but multiple administrators may complete observations to contribute to the overall evaluation.

Professional Development

The Board will provide training for teachers on the components of the teacher evaluation procedure, the evaluation standards for Ohio Educators, rubrics, tools, processes, and the use of High Quality Student Data (HQSD) to inform instruction no later than September 15th.

Credentialed Evaluators

The Board will use credentialed evaluators as defined in ORC 3319.111 (D.). All components and procedures of OTES 2.0 shall be conducted by an administrator who: (1.) Is eligible to be an evaluator in accordance with ORC 3319.111 (S.); and (2.) Holds a credential established by ODE for being an evaluator. Every evaluator must complete State sponsored evaluation training and is required to pass credentialing/recredentialing assessment.

Application

Definition of "Teacher" Notwithstanding Ohio Revised Code 3319.09, this Article applies to District employees who meet one of the following categories:

1. Any person who is employed under a teacher license issued under Ohio Revised Code (ORC) Chapter 3319 who provides student instruction; or
2. Any person who is employed under a professional or permanent certificate issued under former ORC 3319.222 who provides student instruction.

This article does not apply to anyone who is employed as a substitute teacher.

B. Purpose

The purpose of the evaluation program is to:

1. Assist the member in evaluating himself/herself in achieving the Board established job performance expectations in the areas of assigned responsibility.
2. Foster professional growth and to improve the quality of instruction that students receive.
3. Assist teachers and administrators in identifying, implementing, and supporting best educational practices that will provide the greatest opportunity of increasing student learning and academic growth.
4. To identify teacher competence and inform employment decisions (retention, promotion, and dismissal of poorly performing teachers).

C. General Provisions

The teacher evaluation program (OTES 2.0) shall support the identification of instructional strengths, professional growth and specific areas, if applicable, in which the individual needs improvement.

Seniority shall not be the basis for a decision to retain a teacher, except when making a decision between teachers who have comparable evaluations.

This article does not apply to teacher supplemental contracts, or teachers employed as substitutes.

Evaluators must be visible for all formal observations. Eavesdropping and/or listening over the PA system shall be prohibited. The use of audio/video components as part of the evaluation procedure is only permitted if the teacher consents in writing.

D. Evaluation Committee

Article 13 shall be submitted to an ongoing committee composed of the four Association members, appointed by the Association President; and four administrators including the superintendent to review and to make recommendations to Article 13. Recommendations for changes to Article 13 will be submitted to the Association President and the Superintendent for final agreement and approval when necessary change is needed. The committee will also ensure that all measures of high-quality student data (HQSD) adhere to the relevant criteria established by the Ohio Department of Education. Association members will consist of DLT members and may rotate yearly. Association representation should reflect high school, middle school, elementary, and pre-school educators within the committee.

E. Schedule/Frequency of Evaluation Cycles/PGPs/IPs

1. In accordance with ORC 3319.111 (C) (1), each teacher shall be fully evaluated at least once each school year, except as otherwise provided by statute and this Article. All evaluations will be completed by May 1st and each teacher will be provided with a written report of the results of the evaluation process by May 10th. Formal observations may begin after September 15th.
2. Professional Growth Plans/Improvement Plans are to be completed by teachers after training on the components of OTES 2.0 has been provided for teachers. Professional Growth Plans will include no more than two focus areas/goals.

a. Professional Growth Plan

Teachers develop Professional Growth Plans annually to help them identify areas of professional development that will enable them to enhance their practice. Teachers are accountable for implementing and completing the plan and should use it as a starting point for the school year. Professional Growth Plans cannot replace Individual Professional Development Plans (IPDP), nor can Individual Professional Development Plans replace Professional Growth Plans.

Professional Growth Plans should reflect the evidence available and focus on the most recent evaluation and observations. The school or district should allow for professional development opportunities and support the teacher by providing resources (e.g., time, financial, and/or access to professional development). Professional Growth Plans must be clear and comprehensive. Professional Growth Plan goals should be monitored and discussed with the evaluator during the year. The Ohio Teacher Evaluation System 2.0 is a growth model design. As such, it is expected that teachers will make progress on their Professional Growth Plan thereby leading to enhanced instruction and increased student learning.

b. Improvement Plan

The Ohio Teacher Evaluation System 2.0 calls for an educator who has a Final Holistic Rating of Ineffective to be placed on an evaluator-created written Improvement Plan. However, districts have discretion to place any teacher on an Improvement Plan at any time based on any individual deficiency in the evaluation system. The notice requirements for being placed on an Improvement Plan, the components of the plan and the implementation process for the plan may be subject to the terms of a collective bargaining agreement. The purpose of an Improvement Plan is to identify specific deficiencies in performance and foster growth through professional development or targeted support. If the teacher does not take the corrective actions within the time specified in the Improvement Plan, the evaluator may make a recommendation either to dismiss the teacher or continue the plan.

When an administrator initiates an Improvement Plan, he or she must:

- Identify, in writing, the specific area(s) for improvement, aligned to the Ohio Standards for the Teaching Profession;
- Specify, in writing, the level of performance the teacher is expected to reach and a reasonable timeframe to correct the deficiencies;
- Develop and implement a written plan for improvement that will be initiated immediately and include available resources and assistance;
- Determine additional education or professional development the teacher needs to improve in the identified area(s); and
- Gather evidence of progress or lack of progress.

An evaluator must reassess the educator's performance in accordance with the written plan. This reassessment should include multiple performance observations. When the reassessment is completed, if the evaluator has documented an acceptable level of performance improvement, the teacher may transition to a Professional Growth Plan. If the teacher's performance continues to be a concern, the administrator may reinstate the Improvement Plan with additional recommendations for improvement or take the necessary steps to recommend dismissal.

3. Where permissible by statute and this Article, the evaluator will attempt to complete one formal complete one formal observation in each semester.
4. No formal observation will occur three days prior to or after a break consisting of three or more days; or when a teacher has been absent for three or more consecutive days due to to illness or professional development.

5. Any teacher who received a final rating of **accomplished** on the most recent full evaluation conducted under this section may be fully evaluated once every three school years., so long as the teacher submits a self-directed professional growth plan to his/her evaluator that is focused on specific areas identified in the observations and evaluation and the evaluator determines that the teacher is making progress on that plan. During the years that the teacher is not subject to a formal evaluation, the teacher shall be subject to one formal observation per year and shall have at least one conference per year with his/her evaluator. Said conference may include a discussion regarding progress on the teacher's professional growth plan.
6. Any teacher who received a final rating of **Skilled** on the most recent full evaluation conducted under this section may be fully evaluated once every two school years, so long as the teacher and evaluator jointly develop a professional growth plan for the teacher that is focused on specific areas identified in the observations and evaluation and the evaluator determines that the teacher is making progress on that plan. During the years that the teacher is not subject to a formal evaluation, the teacher shall be subject to one formal observation per year and shall have at least one conference per year with his/her evaluator. Said conference may include a discussion regarding progress on the teacher's professional growth plan.
7. Any teacher who received a final rating of **Developing** on the most recent full evaluation conducted under this section shall be fully evaluated the following year. The teacher will develop a professional growth plan guided by the evaluator that is focused on specific areas identified in the observations and evaluation. The evaluator may hold frequent conferences with the teacher to monitor the teacher's progress on that plan.
8. The Ohio Teacher with a final holistic rating of **Ineffective** to be placed on a written Improvement Plan, created by the evaluator that is focused on specific areas of deficiency. Guidelines and consequences for failure to make corrections are outlined in the above Section (E. 2. b.) under "*Improvement Plan*". The evaluator is expected to hold conferences with the teacher to monitor the teacher's progress on that plan. If the teacher does not take the corrective actions within the time specified in the Improvement Plan, the evaluator may make a recommendation either to dismiss the teacher or continue the plan. A teacher with this rating may have an Association Representative present during conferences if desired.
9. The Evaluator may elect not to conduct an evaluation of a teacher who was on leave from the school district for fifty percent (50%) or more of the school year, as calculated and defined by the Board.
10. The Board may elect not to conduct an evaluation of a teacher who has submitted a notice of retirement and that notice has been accepted by the Board, not later than the first day of December of the school year in which the evaluation is otherwise scheduled to be conducted.

F. Evaluation Procedures

1. Each full evaluation cycle will consist of at least two (2) Formal Observations of at least thirty (30) consecutive minutes in length; and, a minimum of two (2) Informal Observations/walkthroughs per evaluation and will be less than thirty (30) minutes in length.

2. The first Formal Observation in each school year will be completed on a date and time mutually agreed upon by the Evaluator and the teacher and will be followed by a post conference. This post conference will serve as another opportunity for the teacher to provide additional evidence concerning his/her evaluation. The second Formal Observation will be announced at least 24 hours prior to the Observation. The third Formal observation, if warranted, may not be announced prior to the observation.
3. All pre and post conferences will be conducted in a face-to-face professional conversation format when requested by either party.
4. A post conference will be held within five (5) working days of a formal observation unless the Evaluator or teacher is absent from school or other extenuating circumstances.
5. The administrator conducting the evaluation shall provide the results to the teacher for his/her acknowledgement by written or electronic pin on Ohio Evaluation System (OhioES) within ten (10) working days of the post conference. Once the teacher acknowledges receipt by entering his/her pin into the Ohio Evaluation System, the administrator may forward that receipt to the Superintendent.
6. After the final post conference, the teacher will have five (5) working days to review the written evaluation report rating and provide any additions of evidence to that rating. The Evaluator may make changes to the rating based on evidence, and shall submit it to the teacher before the final submission is sent to the Superintendent.
7. In the event a teacher disputes the results of the evaluation report, the teacher shall state his/her evidence-aligned objections in writing and attach such as a permanent addendum to the evaluation form and/or written evaluation report within ten (10) working days of the evaluation conference.
8. If the Evaluator has concern(s) that may lead to non-renewal, then (a.) the concerns should be communicated to the teacher within fifteen (15) working days of the second post conference; and (b.) the second formal observation should occur as early in the second semester as possible.
9. Each teacher on a limited contract or extended limited contract and who is under consideration for nonrenewal shall have at least three (3) formal observations in his/her annual evaluation.
10. Upon written request to the Superintendent by the teacher, an additional formal observation by a credentialed Evaluator who did not conduct any of the previous observations conducted for that teacher may be conducted. This observation will be added as evidence to other observations and included in the final holistic evaluation rating. The request for an additional observation should be received by the Superintendent within ten (10) working days of any prior observation. Within ten (10) working days of the request, the Superintendent will notify the teacher requesting the additional observation if an evaluator has been appointed, and who the evaluator will be. The additional observation will be conducted within ten (10) working days of such notification.
11. Any teacher being non-renewed will be notified in writing and receipt of that notification acknowledged by June 1st.

G. Assigning Final Holistic Performance Ratings

Each Formal Evaluation cycle will result in a final performance rating of “Accomplished”, “Skilled”, “Developing”, or “Ineffective”. Evidence of teacher performance will be gathered through formal observations, classroom walkthroughs/informal observations, professional conversations between the Evaluator and teacher, the use of High Quality Student Data, and other evidence of practice and professionalism, based on the Standards for Ohio Educators which are represented in the OTES 2.0 Performance Rubric. Final ratings will be based upon a preponderance of evidence.

ARTICLE 15: DOCK DAYS

Members of the certified staff are under a contracted period of obligation of 182 days or more per year for performance of professional services.

However, in the rare circumstances this might be the only type of leave available to the teacher, in order to qualify to take a dock day, specific written reasons shall be forwarded to the Superintendent. This Superintendent will approve or deny the request for dock days and the Superintendent's decision shall be final. This article is not subject to appeal to the Grievance Procedure in Article 5 of this Agreement.

Qualified current staff members, as determined by the Administration, will be considered first for vacancies before any outside applicant is hired. In rejecting a current staff member for a transfer or reassignment, the decision shall not be arbitrary or capricious.

3. All job vacancies will be posted internally and shall state specific details including, but not limited to, building, grade level or grade band, and subject area, if applicable. All job vacancies shall be emailed to each bargaining unit member at his/her District email address. The vacancy shall not be filled for five (5) calendar days from the date of the email notice.

C. Involuntary Transfers or Reassignments:

1. A teacher being involuntarily transferred or reassigned will only be placed in a position which involves no reduction in rank or total compensation, no impairment of tenure, and only if the district did not find an internal applicant to fill the vacancy.
2. An involuntary transfer or reassignment will be made only after a meeting between the teacher involved and the Superintendent, at which time the teacher will be notified in writing of the reasons. No teacher will be transferred or reassigned arbitrarily, capriciously or without rational basis.
3. Members who are required to obtain an update in an area of previous certification and/or secure new certification for assignment by the Superintendent shall be reimbursed for the required tuition necessary to obtain said update or new certification. Such tuition reimbursement shall be based upon the course requirements established by the State Department of Education for said update and/or new certification. 2. Within ten (10) calendar days of receipt of the notification, representatives of the Board and the Association shall meet to review the proposed RIF.

C. IMPLEMENTATION:

1. Prior to implementing a RIF, positions vacated as a result of resignation, retirement, or death will not be filled, where possible.
2. In determining the position(s) to be reduced, or eliminated, or not filled, the following sequence shall be used:
 - a. Position(s) vacated as a result of voluntary resignation, retirement, or death will not be filled.
 - b. In accordance with section 3319.17 of the Ohio Revised Code.
3. Layoff shall occur by suspension of contract. Limited contract teachers whose contracts are not non-renewed in accordance with Article 11, shall have their limited contracts renewed and then suspended to implement the layoff.
4. A teacher to be laid off due to a RIF shall be given thirty (30) calendar days advance written notification prior to the effective date of the RIF. A teacher who is notified that he/she is to be laid off will have the right to displace any least senior teacher whose work he/she is certificated to perform if the reduced in force teacher has a greater rating on the educator performance portion of his/her evaluation than the less least senior teacher. Written notice of the intent to exercise this right must be given to the Superintendent with a copy to the Association, within three (3) days after a teacher is notified that he/she is to be laid off. Within three (3) days after he/she receives such notification, the Superintendent will notify the least senior teacher that he/she is to be displaced. A teacher who displaces another teacher will be placed on the proper step of the salary schedule for the new position according to his/her experience and education and will retain all of his/her accrued benefits.
5. A teacher who is to be displaced pursuant to this Section will have the same displacement rights vis-a-vis comparable, least senior teachers as a teacher who is to be laid off pursuant to the above.

D. SENIORITY:

1. In making a reduction in force pursuant to this Article and determining which teacher(s) shall be subject to said reduction in force, the Board of Education shall not give preference to any teacher based on seniority, except when making a decision between teachers who

have comparable evaluations. Evaluations shall be deemed comparable if their ratings their evaluations (accomplished, skilled, developing, or ineffective) are the same.

2. In the event that seniority must be utilized in making a reduction in force due to teachers having comparable evaluations, seniority will be computed from a teacher's first day of providing actual services in the District in a bargaining unit position. Seniority will continue to accrue during all paid leaves of absence. Time spent on inactive pay status (unpaid leave), time spent on layoff or time spent in a non-bargaining unit non-bargaining unit position shall not contribute to the accrual of seniority but shall not constitute a break in seniority.
3. A tie in seniority shall be broken by the following method to determine the most senior member:
 - a. The member with the earliest date of employment (date of hire); then
 - b. By lottery, with the most senior unit member being the one whose name is drawn first.
4. Seniority shall be lost when a bargaining unit member retires or resigns; is discharged for cause; or otherwise leaves the employment of the Board.
5. The Association will be provided with a seniority list upon request.

E. LAYOFF RIGHTS:

A teacher on layoff status shall have the following rights:

2. The right to retain seniority credit during the period of layoff.
3. The unchallenged right to unemployment compensation benefits when that employee has not been offered an equivalent bargaining unit position during layoff.
4. Recognition of additional certification(s) earned or reported while on layoff status for recall purposes, provided such information is filed with the Board prior to recall.
5. The right to accept or refuse placement on the substitute list. Refusal of placement shall not impair the teacher's right to unemployment.

F. RECALL AFTER REDUCTION IN STAFF:

1. Teachers shall be recalled in accordance with Section 3319.17 of the Ohio Revised Code.
2. Notice of recall will be given by certified mail to the last address given to the Board by the teacher. A copy of the notice of recall will be given to the Association. If a teacher fails to respond within ten (10) calendar days after receipt of the above notice of recall, he/she will be deemed to have refused the position offered. However, if a teacher is offered part-time and either accepts or rejects, the teacher will not be removed from the recall list.
3. A continuing contract teacher who is laid off will remain on the recall list for a continuing period of time, and a limited contract teacher who is laid off will remain on the recall list for a period of up to twenty-four (24) months, unless he/she:
 - a. Waives his/her recall rights in writing;
 - b. Resigns;
 - c. Fails to accept recall to the position that he/she held immediately prior to his/her layoff or to a substantially equivalent position for which the teacher is qualified;
 - d. Fails to report to work in a position that he/she has accepted within ten (10) calendar days after receipt of the notice of recall unless such employee is sick or injured. 4. No new hire shall be employed in a bargaining unit position until all eligible, laid-off employees have been offered such position.

6. No current non-bargaining unit employee shall be assigned to fill a bargaining unit position while an eligible teacher remains on layoff status, unless such employee holds a continuing contract within the District, is reduced from his/her current position and is eligible for such position based on contract status and seniority.
7. Qualifications for a bargaining unit position shall not be upgraded to prevent the recall of a laid-off teacher.
8. All benefits to which a teacher was entitled at the time of his/her layoff, including unused accumulated sick leave and credits towards sabbatical eligibility, will be

restored to him/her upon his/her return to active employment, and will be placed on the proper step of the salary schedule for his/her current position according to his/her experience and education. A teacher will not receive increment credit for time spent on layoff nor will such time count toward fulfillment of time requirements for acquiring tenure.

ARTICLE 21: CLASS SIZE AND LOAD

The Board shall strive to maintain teacher-pupil teaching load as equitable as possible. The Board also agrees to maintain class size in accordance with the requirements of State Board of Education Minimum Standards.

- G. If the Tuition Reimbursement Fund is not exhausted at the end of each fiscal year (June 30) the remaining money shall be rolled over to the following fiscal year for use by bargaining unit members.
- H. If a bargaining unit member does not remain an employee of the Gallia County Local School District for three years following the most recent reimbursement payment, the employee must refund the District (50%) of the amount of the reimbursement payments received in the previous three years.

ARTICLE 27: NON-TEACHING DUTIES

The Board and Association agree that site-based teams shall be organized in each building to develop/review non-teaching duties necessary for the effective operation of the building. Association members may decline to assume the responsibilities for the collection of money (i.e. lunch, extra-curricular, breakfast). There shall be no repercussion for electing to or not to collect money.

The Superintendent agrees to review duty assignments on a building basis for all buildings in the District to determine if inequities exist and make the appropriate adjustments.

ARTICLE 28: STRS PICK-UP REDUCTION METHOD

- A. The Treasurer is hereby authorized to contribute to STRS in addition to the Board’s required employer contribution, an amount equal to each employee’s contribution in lieu of being paid by each employee through a salary deduction and forwarded to STRS on behalf of each employee by the Treasurer. The amount contributed by the Board on behalf of each employee shall be treated as deferred salary otherwise payable to such employee in cash before the STRS deductions.
- B. The Treasurer is also directed to prepare and distribute an addendum to each affected certificated employee’s contract which states:
 - 1. That the employee’s contract salary is being restated as consisting of:
 - a. a cash salary component and
 - b. a “pick-up” component, which is equal to the amount of the employee’s contribution being “picked-up” by the Board on behalf of the employee;
 - 2. That the Board will contribute to STRS an amount equal to the employee’s required contribution to STRS for the account of each certificated employee, and;
 - 3. That sick leave, personal leave and severance pay shall be calculated upon both the cash salary components and “pick-up” component of the employee’s restated salary. All subsequent contracts and salary notices for those affected certificated employees shall include the provisions of this addendum.
- C. The Board’s total combined expenditures for each affected certificated employee’s total contract salary payable in accordance with this section (including “pick-up” amounts) including its employer contribution to STRS shall not be greater than the amount the Board would have paid for each affected certificated employee had this section not been included in the Agreement.
- D. The Treasurer shall compute and remit its employer contribution to STRS based upon the total contract salary, including the “pick-up.” The Treasurer shall report for Federal and Ohio income tax purposes as an employee’s gross income, the employee’s total contract salary less the amount of the “pick-up.” The Treasurer shall report for municipal tax purposes the employee’s total contract salary including the amount of the “pick-up.”

- E. Each affected certificated employee shall assume all responsibility of compliance with Internal Revenue Service salary exclusion allowance regulations with respect to the “pick-up” in combination with other tax deferred compensation plans in which he/she may be participating.

ARTICLE 29: ENTRY YEAR MENTOR PROGRAM

A committee of three (3) teachers appointed by the Association President, the Superintendent, and two (2) administrators appointed by the Superintendent shall be established to develop recommended duties, responsibilities, and procedures for an Entry Year Mentor Program to be submitted to the Board for approval prior to implementation.

The Board and Association agree that those aspects of the approved program which impact upon the wages, hours, and conditions of employment of bargaining unit members shall be subject for negotiations.

ARTICLE 30: SCHOOL PROCEDURES AND BOARD POLICIES

The Board agrees to place a current copy of all Board of Education Policies, Rules, and Regulations on the District website. Any revisions, after final reading and adoption, shall be promptly distributed to the Association President.

- E. A retiree shall receive a one-year limited contract, which shall expire automatically at the end of the term, without any Board action or notice to the retiree. Continuation of employment of a retiree through offering new one-year limited contracts, which automatically expire, shall be at the election of the Board and upon the recommendation of the Superintendent. The provisions of this Agreement dealing with Non-Renewal (Article 11) and Contract Sequence (Article 6) shall not apply to retirees. A retiree is not eligible for a continuing contract regardless of years of employment with the Board.

- F. A retiree shall accumulate and may use sick leave in accordance with Article 14 of this Agreement but is not entitled to severance pay under Article 21 of this Agreement or under law upon the conclusion of employment as a retiree. A retiree is not eligible to participate in the Sick Leave Donation Program set forth in Article 14 of this Agreement. A retiree is not eligible to receive a stipend for not using sick leave and personal leave as set forth in Article 14 of this Agreement. A retiree is not eligible for personal leave as set forth in Article 14 of this agreement. A retiree is not eligible to bid on a vacancy as set forth in Article 15 of this Agreement.
- G. A retiree shall not be entitled to participate in the hospital, surgical, prescription, major medical and dental benefits provided to bargaining unit members under Article 24 of this Agreement. Re-employed retirees will be eligible for all other Board provided benefits except as noted herein, including, but not limited to, life insurance coverage specified in Article 24 of the Agreement.

- J. Re-employed retirees are entitled to receive reimbursement for college coursework in accordance with Article 22. The coursework shall only be such work that is necessary to maintain their certificate or license.
- K. The Board agrees to notify the Association of all retirees employed, along with their assignment.
- L. It is the parties' intent to supersede the provisions of this Agreement as noted and any conflicting provisions of the Ohio Revised Code, including, but not limited to, Ohio Revised Code Sections 3319.08, 3319.11, 3319.12, and 3319.17, to the extent permitted by law.

ARTICLE 34: SODA

- A. The Administration shall determine the number of individuals needed to grade the yearly coursework of students enrolled in the Southern Ohio Digital Academy ("SODA"). Such work shall be assigned by the Administration to teachers who have availability in their daily work schedules, provided such teachers receive their preparation time and lunch break required by Article 12, Section C and D of this Agreement. Such teachers shall not receive any additional compensation for performing such work.

- B. In the event that additional teachers who do not have availability in their daily work schedules are needed to grade yearly coursework of students enrolled in SODA, the Administration shall notify the teaching staff of such need, and the teachers interested in performing such work shall apply to the Administration. The Administration shall determine which teachers will be assigned such work in accordance with Article 15, Section B(2) of this Agreement. Such teachers will be paid an annual stipend of Five Hundred Eighty Dollars (\$580) for performing such work. In the event that such teacher is required to grade the coursework of more than thirty (30) SODA students at a particular time, the teacher shall receive additional annual stipend of Five Hundred Eighty Dollars (\$580). Such stipends shall be paid in the last pay of the school year.
- C. If no bargaining unit members are available or otherwise apply to grade the yearly coursework of students enrolled in SODA, the Administration may offer such coursework to non-bargaining unit members.
- D. Teachers shall not have any students assigned to their physical classroom setting during the period that they grade the coursework of SODA students.

ARTICLE 35: REMOTE LEARNING

Remote Learning - Remote Learning will only be implemented for the district when absolutely necessary. Remote learning will also be implemented for all calamity days beyond five days, and up to ten days. The Superintendent may decide to make up additional days if the district is out of school for more than ten days. We believe students learn best in a face to face setting with teachers who have the expertise to engage our students in order to maximize their progress. Remote learning should still create an opportunity to learn new information and not be limited to practice of past concepts.

Staff will report to their buildings during their regular working hours. A delay could be implemented in the case of severe weather.

A schedule will be created and approved by your building principal which will include the following:

Elementary teachers will teach for at least one hour in order to cover multiple subjects. Teachers of grades 6-12 will teach each of their courses for at least fifteen minutes which will result in each student receiving over one hour of actual instruction. A google meet is required. This instruction will be recorded and posted on google classroom so students can access the instruction when they have internet access. The videos do not have to include the teacher's face. Videos can be pre-recorded, but should be relevant to the standards being taught at that time. Videos may include examples explained on a whiteboard or paper. It should be noted that paper and pencil can be used for remote learning, but our staff will still need to instruct and guide our students through the materials through google meet. Teachers will post assignments that will take approximately two hours to complete for all subjects, combined. The amount of work should be altered for struggling students so it still takes approximately two hours to complete.

Teachers need to be available for students and/or parents at a scheduled time for at least one hour in order to answer questions over the assigned work. This may be most effective through google meet.

Teachers will make parent contacts as needed and keep a log of contacts.

In the event, a teacher is not able to make it to school due to driving conditions, the teacher can instruct from home. If the teacher is not able to meet the requirement for remote learning he or she will use personal days. If the teacher has no personal days remaining, he or she will have a “docked” day. The district will be closed should there be a Level 3 emergency and Remote Learning will not be implemented.

ARTICLE 36: DURATION

This agreement shall become effective at 12:01 A.M. on July 1, 2022 and shall continue in full force and effect until midnight June 30, 2025.

In witness whereof, the parties have caused this Agreement to be executed on the day and year first above mentioned.
