

Don't Miss the Bus!

Kindergarten Screening Opportunity!!!

Gallia County Local Schools will have individuals stationed in the school's booth in the Activities Building at the Gallia County Junior Fair, who will be able to screen your child for kindergarten. **The kindergarten screeners will be available from 1:00 p.m. to 7:00 p.m. on Tuesday through Friday of the fair.** This is an exciting opportunity, as the screening can take place while you are enjoying time at the fair with your child! Children who have already been screened, earlier in the spring, do not need to be screened again.

A preregistration form can be found at the following link:

<https://docs.google.com/forms/>

You will need to bring the following documents with you:

- Birth Certificate
- Social Security Card
- Vaccination Record
- Custody Papers (if applicable)
